### Important Information Concerning Student Fees for 2006-2007

In November 2005, the Regents approved fee increases for academic year 2006-07, but indicated that such increases would not be implemented if the State were to provide sufficient funding to the University to offset such increases. We are pleased to inform you that the State budget for 2006-07 proposed by the Governor in early January 2006 calls for funding to the University that would allow for a roll back of the Regents' November 2005 fee increases. Therefore, we expect that if this proposed level of support for the University is approved by the legislature, UCLA Law student fees for 2006-07 will be \$25,289 for Residents and \$36,213 for Non-Residents. These amounts are, of course, subject to change. If fees for 2006-07 differ from the amounts noted above we will make appropriate adjustments to students' financial aid awards.

### Estimated Financial Aid Loan Eligibility

Federal Perkins Loan	\$ 2,500
Federal Stafford Loan subsidized	\$ 8,500

Determination of your actual Financial Aid Award will be established in your UCLA Financial Aid Notification (FAN). You will not be awarded federal aid (Perkins, subsidized, and unsubsidized loans) unless you meet eligibility requirements.

#### Estimated Private Loan Eligibility
