**Priority Enrollment Form**

Students enrolled in the Entertainment and Media Law and Policy Program enjoy a preference for admission into Group A and Group C courses. Please do not list courses outside of the program. All other courses should be added during your normal enrollment pass times. Once all program requirements have been fulfilled in Tier A and Tier C, there is no further preference. Please note that many courses have a limited number of spaces, and thus, we cannot guarantee that you will be enrolled into all requested courses. We therefore recommend that you list additional course options (in order of preference) for the Fall 2008 term.
